KABEG Klinikum Klagenfurt am Wörthersee, Austria.

In which institution did the internship/traineeship take place?

KABEG Klinikum Klagenfurt am Wörthersee, Austria.

Did the internship take place as part of the obligatory internship during studies, additionally in order to gain experience, or was it a graduate internship in which part of the obligatory post-study internship was carried out?

As part of the compulsory traineeships during the studies (1st month) and additionally (2nd month).

If this was part of a compulsory internship, what was the procedure for recognition by the Ministry?

N/A

The language level that you need to have to cope with everyday tasks, contact with the patient, etc.?

Fluency in German was rather essential for contact with patients and most staff. Of course, there were also some English speakers, but you will certainly get the most out of such traineeship if you know the language of the country to a good level.

General impressions about the Host Institution, the organization of internships, what was the issue of food, did the facility have a canteen?

The traineeship was very well laid out, the main secretariat takes care of the students and on the first day you get a schedule, key card, locker etc. You can also go there at any time with questions. The institution has a canteen and for students on placements lunches are free, trainees (KPJ - equivalent to year 6 in Austria) had to pay for lunches.

Important information, contacts that will help in the implementation of mobility?

Everything is dealt with fairly quickly and smoothly by the main secretariat (human resources department), where staff coordinate how many student places are available in a given month in a given department.

Attractions in the area worth seeing?

The entire Wörthersee and Carinthia region (Villach, Velden, Pyramidenkogel), Italy or Slovenia are also close by.

Advantages of going on an internship under the Erasmus+ Program?

The scholarship from the Erasmus+ Programme enabled me to pay for accommodation and some meals. I also had no problems passing the compulsory internships.
