Medicine, after VI year - Doctoral School, academic year 2022/2023

University of Graz, Austria.

In which institution did the internship/traineeship take place?

Department of Laryngology, University Hospital Graz.

Did the internship take place as part of the obligatory internship during studies, additionally in order to gain experience, or was it a graduate internship in which part of the obligatory post-study internship was carried out?

I am in Doctoral School and at the same time on a residency in Laryngology. I have taken 2 months unpaid leave to do my internship. I will be applying to count it as part of my residency.

If this was part of a compulsory internship, what was the procedure for recognition by the Ministry?

N/A

The language level that you need to have to cope with everyday tasks, contact with the patient, etc.?

Unfortunately, I did not speak German, which would have been very useful. I spent the vast majority of my time in the operating theatre. The staff speak English.

General impressions about the Host Institution, the organization of internships, what was the issue of food, did the facility have a canteen?

There was a canteen, but I did not use it. Lunches were in the range of € 3.00 - 4.00

Important information, contacts that will help in the implementation of mobility?

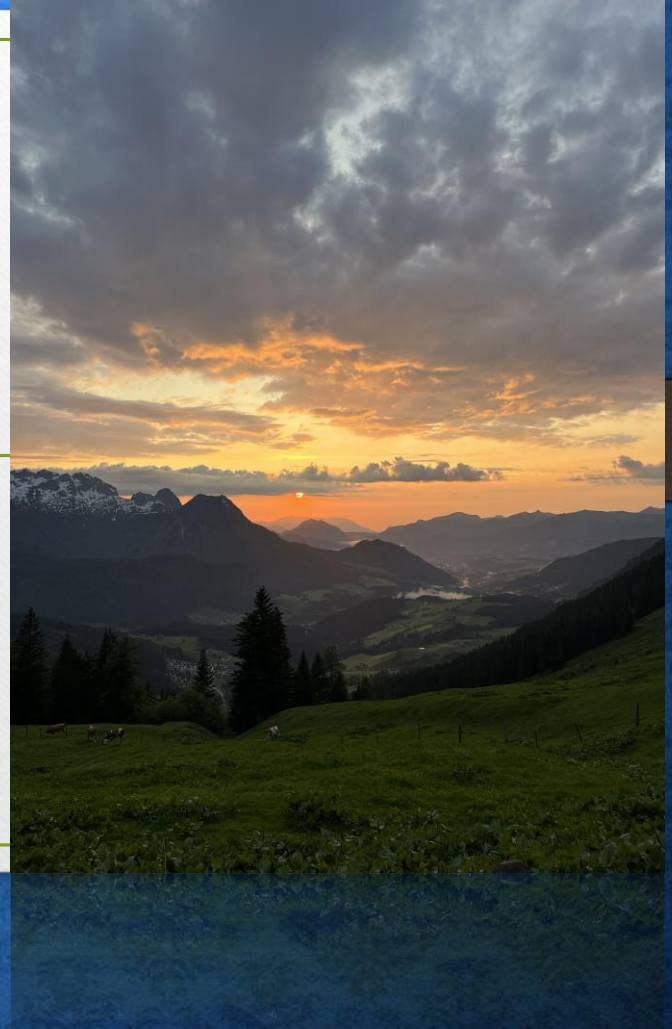

I arranged everything through the Erasmus Office.

Attractions in the area worth seeing?

A whole lot :) paradise for people who like to spend their free time actively - biking, mountain hiking, climbing. :)
