*Medicine, after IV year - academic year 2022/2023*

*University of Catania, Italia.*

**In which institution did the internship/traineeship take place?**

*K: Università di Catania, Ospedale policlinico department of general surgery and ginecologia.*

**Did the internship take place as part of the obligatory internship during studies, additionally in order to gain experience, or was it a graduate internship in which part of the obligatory post-study internship was carried out?**

*K: A summer internship in surgery and gynaecology.*

**If this was part of a compulsory internship, what was the procedure for recognition by the Ministry?**

*N/A*

**The language level that you need to have to cope with everyday tasks, contact with the patient, etc.?**

***K:** If you want to learn anything out of an internship then Italian B1, if you can stand and 'pass' then only Buongiorno will suffice.*

**General impressions about the Host Institution, the organization of internships, what was the issue of food, did the facility have a canteen?**

***K:** There is no canteen, but I personally like Italian hospitals because they always have a good cafeteria inside and you can have an Italian breakfast cheaply.*

**Important information, contacts that will help in the implementation of mobility?**

*K: I found an erasmus registration form on the internet, you register through it for a specific department and the office contacts you.*

**Attractions in the area worth seeing?**

*K: I rather recommend renting a car and sightseeing all of Sicily, although the city has its own atmosphere, not necessarily positive, it is dirty and on the internet people say that it is dangerous. My trip was save ;)*

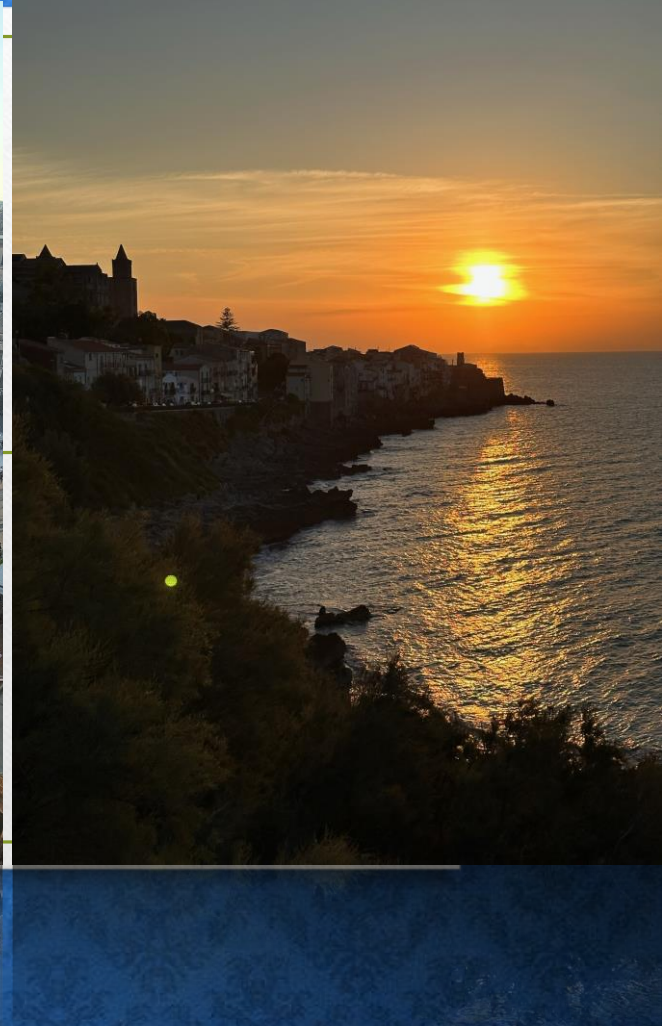

**E+: Overall mobility experience and advantages of participating in the Erasmus+ Programme:**

*K: Everyone knows! ;)*
