Experiences – Mobility in the Medical University of Silesia in Katowice

Why did you choose our university?

I was fascinated about Poland, not an usual Erasmus place.

What was your English level in the beginning of the mobility and was it enough to understand everything during lectures?

It was B2, yes it was enough.

What are your overall impressions of the studies and Medical University of Silesia?

What did you like the most about our university?

Good organization about the secretary, everyone take care of you and for every kind of problem they ask to email and are available to change or modify timetable for your needs.

What did you like the most about our university?

*Organization and international program.
A lot of freedom to extend your training in extra time. The teachers' availability.*

**What is your overall impression of Poland (what do you think about Poland?
What was the most shocking in our country?)?**

*Poland overtake my expectations! Good food, good winter vibes, efficiency in public
transport, lower prices.
Basecamp residence best place ever to stay.*

**Are you happy with participation in Erasmus+ mobility programme
and do you recommend this experience to others?**

Absolutely yes!
