

Vishal

Medicine, Mandatory Traineeship, academic year 2023/2024

University of Catania, Italy.

In which institution did the internship/traineeship take place?

V: University of Catania, Italy.

Did the internship take place as part of the obligatory internship during studies, additionally in order to gain experience, or was it a graduate internship in which part of the obligatory post-study internship was carried out?

V: This was my voluntary traineeship.

The language level that you need to have to cope with everyday tasks, contact with the patient, etc.?

V: Level of language was C1 English, however, basic skills in Italian would avail more exposure to doctor-patient communication

General impressions about the Host Institution, the organization of internships, what was the issue of food, did the facility have a canteen?

V: According to me, the Institution avails better opportunities to students, and it is appreciable. Usually, the food isn't an issue as students are allowed to get concessions on daily meals in the canteen.

Important information, contacts that will help in the implementation of mobility?

V: University's website.

Attractions in the area worth seeing?

V: There are plenty of historical monuments, museums, and beaches worth seeing.

Advantages of going on an internship under the Erasmus+ Program?

V: Exposure to new culture, language, improvement in communication skills, independence, and ability to make decisions in any situation
